National Association of Women Business Owners

Dear Friend,

The National Association of Women Business Owners, South Jersey Chapter, is proud to announce we will be hosting our annual ***Beyond the Glass Ceiling Awards and Fundraiser***, on Thursday evening, March 31, 2022, at the Mansion on Main Street, Voorhees, New Jersey. Our yearly event is widely celebrated for recognizing and honoring extraordinary women business leaders and women entrepreneurs, for their innovations and contributions to their respective fields of expertise. The success of these individuals helps to provide jobs, to stimulate economic growth throughout South Jersey, and to marry community service to humanitarian effort.

***We invite you to be a part of the excitement*** by considering the submission of a silent auction item which will be featured prominently, allowing you to showcase your business and support during the event. All proceeds are used to help our organization continue to provide education, advocacy, networking, and leadership opportunities to NAWBO SJ members helping to propel them forward in their various avocations.

***The National Association of Women Business Owners helps drive women entrepreneurs into economic, social and political spheres of power worldwide by:***

*Strengthening the wealth capacity of our members and promoting economic development within the entrepreneurial community:*

- *Creating innovative and effective change in the business culture*
- *Building strategic alliances, coalitions, and affiliations*
- *Transforming public policy and influencing opinion makers*

***If you wish you donate, please reference the enclosed form for detailed information on how to proceed.*** Unsure of what to donate? No worries! We also accept gift card donations which are used to purchase items which will be attributed directly to you for the auction. We hope you will take this opportunity to reach a wide audience of community leaders and business professionals topping out at upwards of 150 guests. It's the ultimate event to network with NAWBO SJ members who are committed to helping their neighbors succeed in all facets of business.
